

Midget Blocks—Block 77

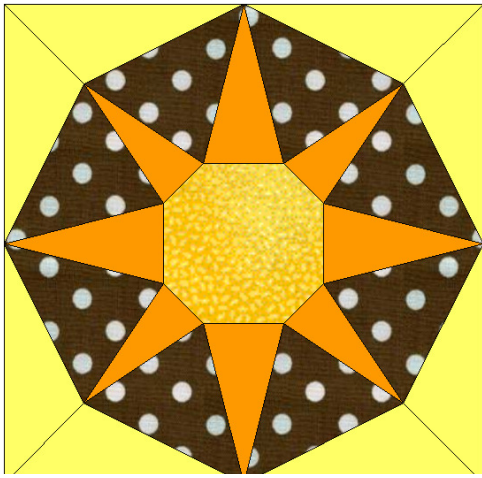

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a brown plaid, yellow print and a yellow solid color fabric.

Rising Sun—4 1/2"

In the antique quilt this block is the sixth block from the left in the fifth row.

This block is well suited for hand piecing

- Sew A to D and B to C
- Sew G and F points around center E
- Inset the A/D and B/C sections between the sun points to complete the block.

Your unfinished block should measure 5"
